

## Expression of Interest Leadership Team

**We are seeking Expressions of Interest (EOI's) from a Christian couple, who would like to explore the possible Centre management and leadership role at our Beechwood Court Centre in North Wales.**

### Our Background

Beechwood Court is a Christian venue located on Conwy Mountain beside the coastal town of Conwy in beautiful North Wales.

For over 90 years, Beechwood Court has been a Centre for Christian holidays, Church Group weekends, Conferences, plus much more and we would like to see our Ministry grow and develop.

### What are we looking for?

We are seeking EOIs from a Christian couple who could share in our Ministry and would like a fantastic opportunity to help lead this Christian Centre with such enormous potential.

Ideally, we would like to hear from people with a gift for operational management and/or hospitality as well as a natural gift for pastoral care and relevant experience.

Ultimately, we are looking for a couple to be the Centre Managers, with a clear sense of calling to this kind of ministry, who would thrive fulfilling their Christian commitment as part of a small live-in community team of workers. *(Please note that where appropriate accommodation will be provided).*

### What to do?

In the first instance please contact Mark Thompson, the Chair of Christian Endeavour Holiday Centres Limited by e-mail. If appropriate we would seek a covering letter and in addition a short-written summary expressing your vision, calling and hopes for the future.

Mark Thompson
