A message from the Chair

At the time of writing, the nation is in lockdown because of coronavirus and we are all facing a very uncertain future, particularly those in the leisure sector as it is clear that social distancing will be in place, in some form, for an extended period. However, we have put our trust in God and decided to proceed with the production and distribution of this brochure as usual in the hope that the world will have returned to some sort of normality before the start of 2021.

We will continue to offer holidays and themed stays for individuals and groups which provide spiritual growth, rest, recuperation, fellowship, fun and good food in beautiful surroundings. We will welcome you all warmly and do all we can to make your stay enjoyable. We want our guests to arrive as strangers and leave as friends.

We will continue to move forward in the Lord's work and would ask you to pray for the valuable witness of the charity. On behalf of Christian Endeavour Holiday Centres Ltd, we look forward to welcoming you to one of our centres during 2021.

Every blessing,

Mark Thompson
